Art Unit: 2873

Allowed Claims: 1-11.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, with reference to independent claims 1 and 6, none of the prior art either alone or in combination, disclose or teach of the claimed method of designing an ophthalmic lens specifically including, as the distinguishing feature in combination with the other limitations, the claimed determining of the stable position by an offset amount represented by an angle defined by the intersection of the optical axis of the temporary lens and the optical axis of said schematic eye with the offset amount being determined by averaging a plurality of offset amounts as claimed and the offset amount not exceeding 30 degrees.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jordan M. Schwartz whose telephone number is (571) 272-2337. The examiner can normally be reached on Monday to Friday (8:00-5:30), alternate Fridays off.
